# Lessons Learned Information Sharing LLIS.gov

Sharing Information  
Enhancing Preparedness  
Strengthening Homeland Security

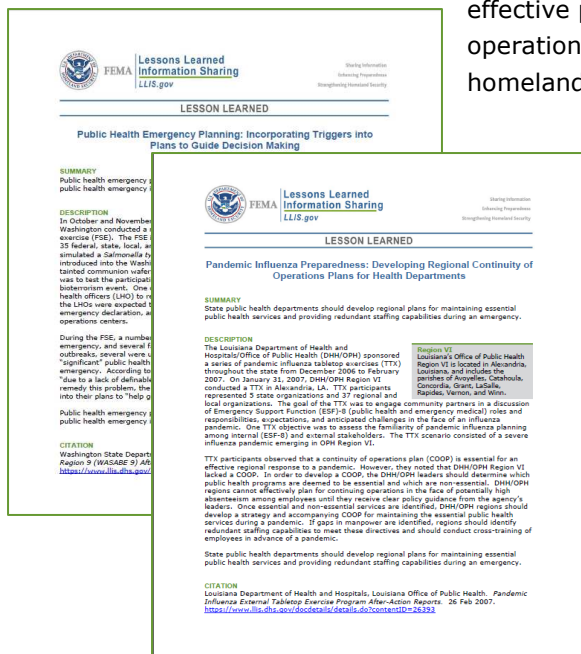

## LLIS.gov Public Health Resources

### A TOOL FOR ENHANCING NATIONAL PREPAREDNESS

*Lessons Learned Information Sharing (LLIS.gov)* is a US Department of Homeland Security/Federal Emergency Management Agency program. *LLIS.gov* serves as the national, online network of lessons learned, best practices, and innovative ideas for the emergency response and homeland security communities. This information and collaboration resource helps emergency response providers and homeland security officials prevent, protect against, respond to, and recover from terrorist attacks, natural disasters, and other emergencies. *LLIS.gov* provides Federal, State, and local responders with a wealth of information and front-line expertise on effective planning, training, and operational practices across homeland security functional areas.

#### LLIS.gov at a Glance

- Online since April 19, 2004
- Over 56,000 registered members
- Over 15,000 documents, including more than 1,800 state and local plans, 850 after-action reports, and 1,000 original content documents
- Secure message boards and collaboration tools
- Targeted information on current homeland security topics

### PUBLIC HEALTH PLANNING

*LLIS.gov*'s public health content provides a wealth of all-hazards planning information and tools to enhance the preparedness of our nation. Examples of *LLIS.gov* Lessons Learned and Practice Notes include:

- Pandemic Influenza Preparedness: Developing Regional Continuity of Operations Plans for Health Departments
- Public Health Emergency Planning: Incorporating Triggers into Plans to Guide Decision Making
- Vaccine Inventory: The Minnesota Department of Public Health's Internet-Based Vaccine Tracking Program
- Public Health Emergency Planning: Cross-Training
- Emergency Communications: North Dakota's Department of Health Public Information Fact Sheets in Multiple Languages

### PUBLIC HEALTH DOCUMENTS ON LLIS.GOV

The public health content available on *LLIS.gov* also includes plans, after-action reports, checklists, templates, and worksheets from across the Nation, such as:

- 2008 Clark County Health Department Functional Exercise: Final After Action Report/Improvement Plan
- Liquid Food and Crop Contamination Tabletop Exercise After Action Report
- 2008 Rusk County Health Department Functional Exercise
- Public Health Emergency Planning: Developing Emergency Response Triggers for Infectious Disease Outbreaks
- Region 5 Mass Immunization and Prophylaxis Strategy (MIPS) Full Scale Exercise 2007
- The Strategic National Stockpile: Selected Promising Practices
- The Great Lakes Border Health Initiative: A Model for Regional Cooperation
